General Notices

Memo 03/11: Planning for the Season Ahead

A memo was sent to all club Secretaries and Presidents this week regarding SA Rugby's 'Planning for the Season' training session for all committee members. It will take place at the SA Rugby Office on Wednesday 25 November 2009, from 6:00pm - 7:00pm.

The session will provide attendees with a breakdown of the essential planning materials required for the 2010 season, including information on club audits and action plans, strategic planning, budgeting and sponsorship.

Your club will be supplied with a range of templates that will assist in your planning for the season ahead.

The training session will be held simultaneously with the State Representative Program wrap up.

Drinks and nibbles will be provided at the conclusion of the session at approximately 7pm.

We believe it would be worthwhile for the club President and at least one other member from your committee to attend this session. The session will provide your club with information and materials that will not be covered at the annual SA Rugby Conference to be held in February 2010.

Please advise SA Rugby of the names (and positions held) of your club committee members that will be attending before COB 20 November by calling SA Rugby on (08) 7224 8150 or emailing Caitlin Brady at caitlin.brady@sarugby.com.au
