### **Mayday Procedure**

It has come to our attention that some Juniors playing in contact forms of the game are not confident with the Mayday procedure. It is the responsibility of the coach (who must be SmartRugby compliant) to ensure any player who is required to play in the forwards, fully understands the procedure.

Referees question players in their pre-match brief on the Mayday procedure. Should any team not know the procedure, SA Rugby will be writing to the club concerned for them to explain why!
